---	--------------------------------	--	--	--------------------------------------	---

BATCH DISCOUNT

Filming 2–3 subjects in a single session cuts per-subject cost — setup, teardown, and travel happen once. Each additional subject after the first adds ~\$200 in marginal cost vs. \$650+ for a standalone shoot.

2 subjects → ~\$650/ea

3 subjects → ~\$475/ea
in-studio rate, post-production included

OPTIONAL ADD-ONS

Any add-on can be applied to any tier. Pricing is per finished package unless noted.

B-Roll Package

Environmental, product, or team footage captured same shoot day and woven into the finished edit.

+\$350

Branded Intro/Outro

Animated opener & closer with your logo and brand colors, applied to every video.

+\$300

Closed Captions

Delivered as a burned-in version and a separate SRT file, per finished video.

+\$85 / video

Rush Delivery

Turnaround under 5 business days instead of standard 7–10. Adds 25% to post-production only.

+25% post

SOCIAL MEDIA CUTS

Independently edited short-form cuts (15–30 sec) for LinkedIn, YouTube Shorts, or paid ads.

These are full separate edits — not trims of the hero cut.

Can be added to any tier at booking.
